News Release

For Immediate Release: August 27, 2012

Employees of AAR-SUMMA May Be Eligible for Additional Benefits

MONTGOMERY – Tom Surtees, Director of the Alabama Department of Industrial Relations, announced today that current and former employees of AAR Corporation-SUMMA Technology Mobility Systems including on-site leased workers from Cullman Employee Center, located in Cullman, who were engaged in activities related to the production of Container Roll-on/Roll-off Platform (CROP) and MK1077 flatracks, may be eligible for benefits under the federal Trade Adjustment Assistance Act of 2011. A petition filed on behalf of workers of AAR Corporation-SUMMA Technology Mobility Systems in Cullman was certified by the U.S. Department of Labor on July 24, 2012.

The U. S. Department of Labor found that the workers may have become unemployed as a result of increased imports. The petition covers periods of unemployment occurring on or after May 7, 2011, and before the termination date of July 24, 2014. Under the Trade Adjustment Assistance Act of 2011, displaced workers may be eligible for Trade Adjustment Assistance (TAA) benefits such as training, job search and relocation assistance, and Health Coverage Tax Credit (HCTC). For additional

information on the HCTC, they can call toll free 866-628-HCTC (4282), or visit the IRS website at www.irs.gov (IRS Keyword: HCTC).

If workers have exhausted their cash benefits under other state and federal unemployment compensation programs, they could be eligible for additional weekly benefits equivalent to the amount they were receiving under other programs. In order to receive Trade Readjustment Allowance (TRA) benefits, workers must be enrolled in training the later of 26 weeks after the certification date or after their last qualifying separation or a waiver of the training requirement must be granted by the state Employment Service Division of the Alabama Department of Industrial Relations.

AAR Corporation-SUMMA Technology Mobility Systems, located in Cullman, was also certified for Re-employment Trade Adjustment Assistance (RTAA). Employees who are 50 years of age and older, who obtain full time employment after their separation from the affected employer, may be eligible for allowances under the RTAA program.

Surtees stated that potentially eligible individuals will be notified individually as soon as they are identified.
