

TUESDAY AUGUST, 30TH

FORT RUCKER SOLAR PROJECT JOB FAIR

Attention Construction Workers, General Laborers, and Veterans:

Tradesmen International is currently seeking laborers with at least 1 year of general construction or manufacturing experience or any military veterans to fill a variety of roles in every aspect of solar field construction. Walk-ins welcome!

Solar is the FUTURE
of energy in the USA
and the world!

This is a perfect
opportunity to learn
the solar industry
from the ground up.

MANY entry-level
positions available.

Plenty of
opportunity for
promotion and
career growth.

Bring a resume and
2 forms of
identification.
