(g) Such other supporting documents as may be deemed reasonably necessary by the act and the Director.
(4) Limited Registration. Every professional employer organization seeking authority to operate as a PEO in Alabama under a limited registration shall register with the Department of Industrial Relations prior to commencement of operations within this state. The limited registration form shall be made on a form prescribed and approved by the Director, verifying the professional employer organization:

(b) does not maintain an office in this state or solicit clients located or domiciled in Alabama; and

(a) A subsidiary corporation may submit with its registration the consolidated financial statement of its parent corporation in lieu of its own along with a Parental Guarantee.

(b) Multiple professional employer organizations may only file reports and meet financial requirements on a consolidated basis if each company that is a part of the multiple employer organization group provides a guarantee for the obligations of each other member of the group.

(c) Such a guarantee may be in the form of an indemnification agreement or a resolution of the board of directors of the parent company authorizing the guarantee of workers’ compensation and unemployment tax liabilities of a subsidiary PEO in the consolidated registration.

(d) Each professional employer organization involved in the consolidated registration must pay a separate registration fee.

(6) A registration fee, in the amount as specified below, shall accompany each registration form and shall be made payable to “DIR/PEO Fund” - Professional Employer Organization Registration Administrative Trust Fund. All registration fees are non-refundable, and any registration received without the appropriate registration fee cannot be considered and will be returned.

(e) $500.00 initial fee for each limited registration.

(b) The Director may accept net worth based upon audited financial statements in whole or in part for the financial requirements.

(c) The Director may accept additional securities acceptable to the Director in whole or in part for the financial requirements.

(d) In the event a Professional Employee Organization does not meet the $100,000 net worth requirement as demonstrated by audited financials, the Director may require a registrant to post a security amount in the form of a cash deposit with the Alabama State Treasury, or other security subject to the approval of the Director, to secure the payment of all unemployment taxes and workers’ compensation claims payments due to or with respect to covered employees.

(e) The Director may require that any security or asset used to secure the payments of unemployment taxes and workers’ compensation claims shall be maintained by a financial institution located in the State of Alabama.

(8) Certificate of Registration. The Director may issue a Certificate of Registration to each professional employer organization that has successfully registered with the Department, and that has controlling persons who are qualified to serve in said capacity. The certificate shall remain valid for a period of one year from the date of registration. Registrations cannot be accepted or approved retroactively.

(a) A certificate of registration shall be valid only to that entity to which it is issued. No professional employer organization has the authority to extend use of its registration certificate to any other person, firm or corporation, and the unauthorized extension of said use shall constitute good cause for refusal to renew the certificate.

(b) The Director may refuse to register or renew the registration of any professional employer organization that has violated or is in danger of violating the terms of these administrative rules or the act.
(9) Notice – Any notice required to be given by these rules and regulations to the Director shall be deemed proper if made in writing, addressed to Director, Department of Industrial Relations, Workers’ Compensation Division, Montgomery, Alabama 36131. Any notice required by these rules and regulations to be given to a registered professional employer organization shall be deemed properly given if in writing and addressed to the employer at the address shown on either the registration form or the last annual report.
