FOR IMMEDIATE RELEASE: October 15, 2018

COAL MINER JOB FAIR COMING TO JASPER CAREER CENTER OCTOBER 25

JASPER – The Jasper Career Center is hosting a Job Fair for Jenmar Services on **Thursday, October 25 from 1:00 p.m. – 2:00 p.m.** It will be held at the Career Center located at 2604 Viking Drive in Jasper. Jenmar Services is a full-service staffing company for coal and hard rock mining, oil, gas, and manufacturing industries. They will be recruiting for:

- **Inexperienced Underground Coal Miners (Redhats – Apprentice Miners)**
MSHA 40 Mining Course – MUST BE CURRENT, 5000-23 must be within past three years.
- **Experienced Underground Coal Miners (Blackhats)**
Alabama Miner’s Certification and Annual Refresher is required – MUST BE CURRENT

The event is free and open to the public and as always, veterans will receive priority service. Jobseekers should bring their résumé, are encouraged to dress professionally, and should be prepared to interview. If jobseekers need a résumé, they can visit the career center ahead of time for assistance. **Please note: Jobseekers must bring all certifications to the job fair.**

For more information, contact the Jasper Career Center at 205-221-2576 or Jasper@alcc.alabama.gov.

Free services available to jobseekers at the local Career Center include: résumé assistance, interview preparation, job search assistance, and access to many educational and vocational training programs.

Employer services include: free job postings, employee screenings, access to interview space, and valuable training programs and tax credits.
