Monroeville Resident Arrested and Convicted of Unemployment Compensation Fraud

MONTGOMERY—Alabama Department of Industrial Relations Director Tom Surtees announced today that a Monroeville man has been arrested and convicted for making false statements in claims for unemployment compensation benefits. This is a violation of the Alabama Unemployment Compensation Law.

Derrick D. Knight, of Monroeville, pled guilty to Theft of Property in the 3rd Degree for making false statement in claims for unemployment benefits in Monroe County Court on March 18, 2009. An investigation by the Industrial Relations Benefit Payment Control Section determined that Knight received a total of \$5,085.00 in unemployment compensation benefits to which he was not entitled.

Knight was sentenced to one year in jail and was also required to pay court costs and to repay the amount of unemployment benefits he received illegally.

“The Alabama Department of Industrial Relations, in cooperation with the offices of local District Attorneys, is continuing to actively pursue indictments and arrests of those who allegedly draw unemployment compensation benefits illegally,” said Surtees. “The successful prosecution of these cases helps to maintain the integrity of the state’s Unemployment Compensation Trust Fund, which is used to pay benefits to citizens who are truly qualified to receive the money.”

Suspected unemployment compensation fraud may be reported to the Department of Industrial Relations by calling this toll-free number: 1-800-392-8019.
