Employees of Pemco World Air Services, Inc. May Be Eligible for Additional Benefits

MONTGOMERY – Tom Surtees, commissioner of the Alabama Department of Labor, recently announced that current and former employees of Pemco World Air Services, Inc., including on-site leased workers from APA Services, Arnaldo J. Chavarria, Job Air Group, Johnson Service Group, L2 Consulting Services, Inc., Planetechs, LLC, Quanta Staffing Solutions, and S.M.A.R.T., Inc., located in Dothan, who were engaged in employment related to aircraft maintenance, repair and conversion services, may be eligible for benefits under the federal Trade Adjustment Assistance Act of 2011. A petition filed on behalf of workers of Pemco World Air Services, Inc., in Dothan was certified by the U.S. Department of Labor on Sept. 20, according to an announcement by Commissioner Surtees.

The U. S. Department of Labor found that the workers may have become unemployed as a result of increased imports. The petition covers periods of unemployment occurring on or after April 16, 2011 and before the termination date of September 20, 2014. Under the Trade Adjustment Assistance Act of 2011, displaced workers may be eligible for Trade Adjustment Assistance (TAA) benefits such as training, job search and relocation assistance, and Health Coverage Tax Credit (HCTC). For additional information on the HCTC, they can call toll free 866-628-HCTC (4282), or visit the IRS website at www.irs.gov (IRS Keyword: HCTC).

If workers have exhausted their cash benefits under other state and federal unemployment compensation programs, they could be eligible for additional weekly benefits equivalent to the amount they were receiving under other programs. In order to receive Trade Readjustment Allowance (TRA) benefits, workers must be enrolled in training the later of 26 weeks after the certification date or after their last qualifying separation or a waiver of the

training requirement must be granted by the state Employment Service Division of the Alabama Department of Industrial Relations.

Pemco World Air Services, Inc., in Dothan, Alabama was also certified for Re-employment Trade Adjustment Assistance (RTAA). Employees who are 50 years of age and older, who obtain full time employment after their separation from the affected employer, may be eligible for allowances under the RTAA program. Surtees stated that potentially eligible individuals will be notified individually as soon as they are identified.
