1 Introduction

SIDES E-Response makes it possible for employers to respond electronically to requests for information from participating state unemployment insurance agencies. This guide provides step-by-step guidance for responding to requests for information about the reasons that a former worker was separated from employment, including samples of the screens that you will see when you log-in to E-Response and enter information related to a specific claim/individual. The E-Response system performs a comprehensive check of the information to ensure that it is complete before it is submitted. When a response is submitted, E-Response provides a confirmation number for your records.

2 Getting Started

2.1 Minimum Requirements, Credentials, and Conventions

Minimum Requirements.

The minimum system requirements to use SIDES E-Response are:

- Internet Explorer version 7.0 or higher.
- Javascript must be turned on.
- A minimum screen resolution of 1024 x 768.

2.2 Credentials

Before logging into SIDES E-Response, you will need the following credentials:

- Federal Employer Identification Number (FEIN)
- State Employer Identification Number (SEIN) if used by requesting State.
- Personal Identification Number (PIN)

The State Unemployment Insurance (UI) agency requesting information will provide your PIN either with the notice that requests separation information or through another avenue. Some States may assign a business one PIN for access to all requests sent to it; other states may assign a separate PIN for access to each request. If you have questions regarding credentials for logging in to E-Response, please contact the State UI agency from which you have received a request.

2.3 Conventions

This guide uses the following conventions:

[Button]: Brackets indicate a button and the button label you will see on the screen.

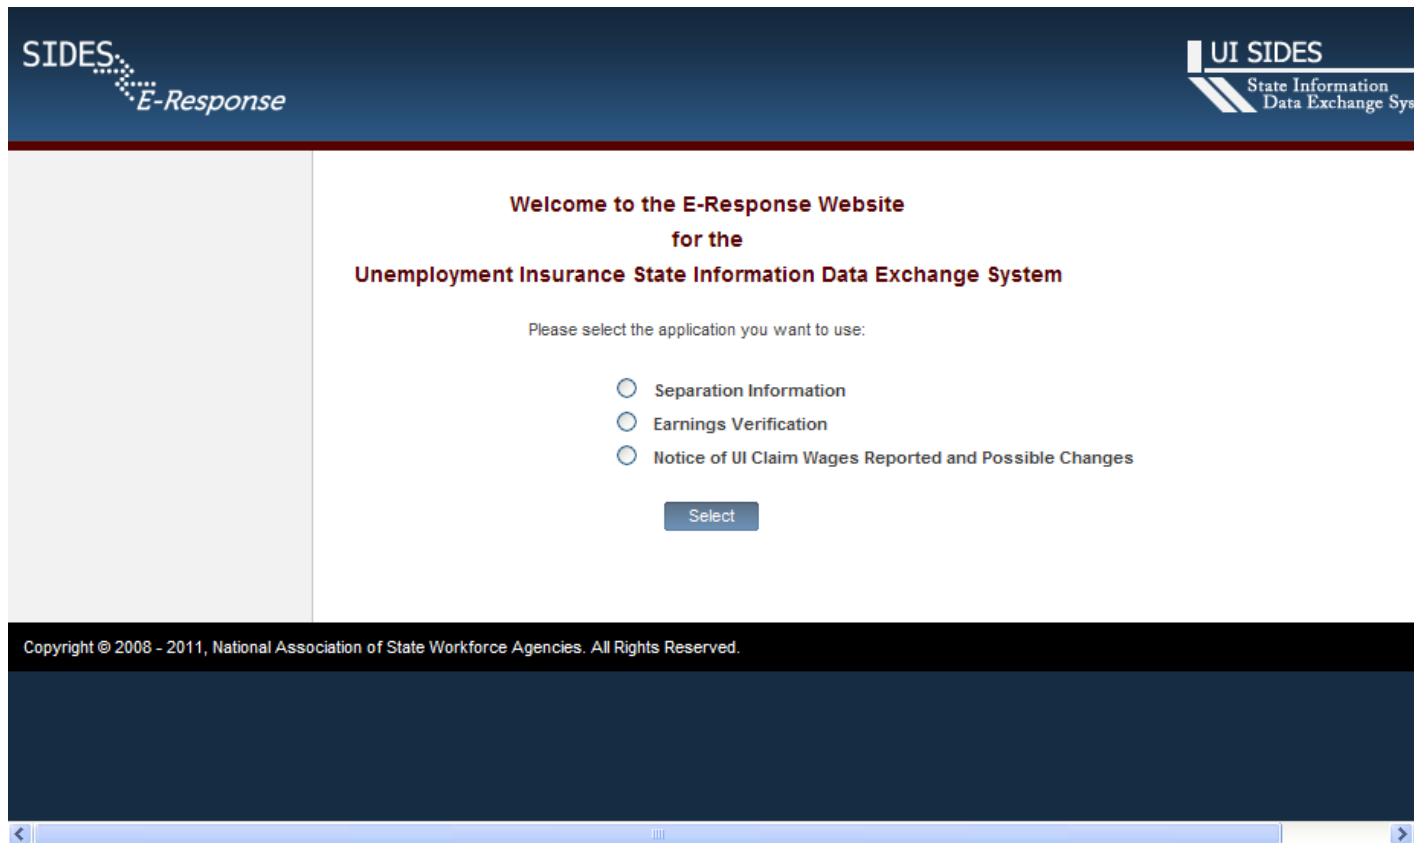

- Hyperlink:** All hyperlinks in the screen will be indicated with a bold underline.
- “Area of screen”:** Double quotes indicate headers or some other specific area of a particular screen.
- SMALL CAPS:** Screen titles are shown in SMALL CAPS.

3 Logging In

To log-in to SIDES E-Response:

- Launch an Internet Browser (Internet Explorer, version 7.0 or higher required)
- Go to <http://uisides.org>

The screen shown below will appear.

On the WELCOME screen, select Separation Information, and click the [Select] button.

The screen shown below will appear.

The screenshot shows the 'Separation Information Application Response Entry' screen. At the top left is the 'SIDES E-Response' logo, and at the top right is the 'UI SIDES State Information Data Exchange System' logo. A red asterisk indicates a required field. The main heading is 'Separation Information Application Response Entry'. Below the heading, a message states: 'To respond to your separation information request(s), please login using the instructions provided by the State Agency.' The form contains four required fields, each with a question mark icon: 'State' (a dropdown menu with 'Select One' selected), 'Federal Employer Identification Number', 'State Employer Identification Number', and 'Identification Number/Access Code'. Below these fields are 'Cancel' and 'Login' buttons. On the left side, there is a 'Users Guide' link and a note: 'Note: Dashes and/or other punctuation should be omitted from the Federal/State Employer Identification Numbers.' At the bottom of the page, there is a copyright notice: 'Copyright © 2008 - 2011, National Association of State Workforce Agencies. All Rights Reserved.' and a version number: '13.143 - Build 15320'.

On the LOGIN screen, do the following:

- Select the appropriate State from the drop-down list;
- Enter your Federal Employer Identification Number (FEIN) without dashes or other punctuation;
- Enter your State Employer Identification Number (SEIN) without dashes or other punctuation;

Note: If a State UI agency does not use a State Employer Identification Number, the SEIN is not required and no SEIN box will be displayed on the Login screen;

- Enter the PIN provided to you by the requesting State UI agency, and
- Click the [Login] button.

If the login is unsuccessful, first try again, being very careful with your key strokes. If you continue to have a problem, either your credentials are incorrect or there are no separation information requests pending at this time. Contact the requesting State UI agency if you received a notice that a separation request is pending and you cannot log into the system to enter your response.

4 Features Included in Multiple Screens

- Identifying Information. Your FEIN and SEIN (if used) will be displayed in the upper right portion of the screens.
- Information Bar. A vertical section on the left side of the screen provides specific instructions to help you navigate specific pages.
- Site Navigation Buttons. At the bottom of most pages you will find the following buttons:
 - [Back]—saves your work and takes you to the previous page.
 - [Cancel]—deletes data from the screen, and you remain on the same page.
 - [Save]—saves data entered and runs validations, but you remain on the same page.
 - [Main Menu]—does not save data entered, and returns you to the Separation Information Requests page.
 - [Next]—saves data entered and moves to the next page.
 - [Go]—a drop down menu allows you to select and jump to a particular page.

Note: Using the browser navigation button to go back or go forward will **NOT** ensure the proper functioning of the site and could cause you to lose work.

- Sign Out Button. The [Sign Out] button located in the upper far-right portion of each page will log you out of the E-Response website. Be sure you have saved your work before signing out.

- Help Icon.  This symbol indicates help is available for the particular field where it is found. Simply mouse over the icon to see the help text.
- Screen Identification Number. The number in the bottom right corner of each screen identifies it. Should you have questions or problems with a particular screen/page, please refer to this screen number when contacting your State UI agency.
- Standard Web Interface Features. Many pages include navigation and functions that are common on most websites, including clickable radio buttons, check boxes, drop-down menus, and text fields. Remember to use only the navigation features built into the site. Using browser navigation features to go back, forward, or print could cause you to lose your work.

After you click [Submit] you will see a **CONFIRMATION** page, sample below, which provides your confirmation number. Keep this confirmation number in your files. The confirmation number will also appear at the top of the PDF under the [View/Print](#) link. We strongly recommend you print a copy of your submission for your records. You may also save an electronic copy of the PDF document; however the PDF document is deleted from the web site after 30 days.

The screenshot shows the SIDES E-Response website interface. At the top, there is a dark blue header with the SIDES E-Response logo on the left, the South Carolina Department of Employment and Workforce logo in the center, and FEIN: 999991000 and SEIN: 123456789 on the right. Below this, it says 'Please print this pdf and keep with your records.' There is a 'View/Print' button with a printer icon and a 'Main Menu' button. On the left side, there is a 'Users Guide' link. At the bottom of the page, there is a copyright notice: 'Copyright © 2008 - 2011, National Association of State Workforce Agencies. All Rights Reserved.' and the page number '21'.

6 Amending a Submitted Response

After you submit a response, it remains on the SIDES E-Response website for 30 days from the date of the request; during that period you can correct the response or add additional information. **However, any changes made to the response after the due date for submission to the requesting state agency may or may not be used in determining the individual's eligibility for unemployment benefits depending on state policy.**

To amend a response, log-in to E-Response using the appropriate PIN (either a permanent PIN issued by the state to which the response was submitted or a one-time PIN linked to the request for which the response was submitted.) Identify the case on the SEPARATION INFORMATION REQUESTS page and click [Create Amendment]. You will then see the same series of screens that were presented when you created your submitted response. Make whatever changes are needed on those screens. Before submitting the Amended Response, you will be asked to explain why you are amending your previous submission and what has changed. See sample AMENDED RESPONSE page below.
